Richard,

Following our telephone conversation yesterday, Mike Howard in our Adoptions team, who is dealing with the highway improvement works to Rossendale Road has received the attached drawing No. AAC4882 100 Rev. E from the Consultants. This is in respect of condition 16 of 07/00641/FUL and Condition 14 of 09/00780/FUL.

The details shown on the above amended plan are acceptable to the Highway Authority, but in accordance with the wording of the conditions, I would recommend that they should not be discharged until the works have been completed.

I hope that the above information is of assistance. Please contact me if you require any further details.

Regards,

Simon

Hi Dominic,

I am in the process of looking at discharge of conditions on the above development and am chasing a response to a memo sent in February 2010 (copy attached) in respect of Condition 16 & 14 respectively of the above planning permissions (the second being a subs of house types for part of the original approval).

The condition relates to highway improvement works to a section of Rossendale Road. The proposed improvements are detailed on a drawing submitted with the applications (reference within the attached memo) and can be viewed online.

I would be grateful if you could either provide a response or pass this on to another officer if not yours to deal with. Many thanks.

Kind regards

Richard Wright
