Dear Eleanor,

Re:- 2 Hamilton Close – Planning Application No. 10/00418/FUL

I would request that this application be brought before the next available Planning Committee meeting. I am of the view that the application raises issues in respect of the security, privacy and well-being of the occupiers of the house and the impact of the development on the character and appearance of the area that should be considered by Members."

So I respectfully ask that this application be placed on the agenda for the next Planning Committee for consideration by the Council Members.

Yours Sincerely

Keith Nichols
Councillor
