Dear Richard,

Re:- Proposed Alterations – Sovereign Gears Ltd, Hill Lane, Markfield
09/00232/FUL

Further to our most recent conversation I have pleasure enclosing amended plans showing your latest comments.

An altered block plan has also been prepared which demonstrates provision for 11No. car parking bays and shrub bed proposals.

Shrubs have been classed as 'evergreen', and will be kept to a height of 600mm at all times.

Please feel free to contact me if you wish to discuss the proposals in greater detail, or if I can be of any further assistance.

Yours Sincerely,

Mr A Brown
