Comments:
Site concerns as follows:

1 Concerns of entrance for access as being a dangerous access - the driveway on a purposely built restricted area and also problems with any on road parking within this restricted area

2 It is considered this infill Site not suitable for development

3 Building design is wrong is not in-keeping with street scene

4 The ownership of land is in doubt, any development would be in breach of their covenant

5 Building on land that is not owned by the applicant but by Highways
