Reference: LW

Date: 22.05.2008

Details of the pre-application advice received:

Reduction in length of extension more likely to be acceptable as extension is longer than the existing dwelling. Current house extension guidance requires exts to be subordinate to original. A previous Approval in Stoke Golding (08/00233/FUL) has set a presidence to the Planning Officers comment.
The Client would not wish to reduce the scheme as it would not provide the living space required. To reduce the length and increas the width would have a major impact on the window to the master bedroom.
