For the attention of Sarah Humphries
Your Ref: 09/00085/FUL

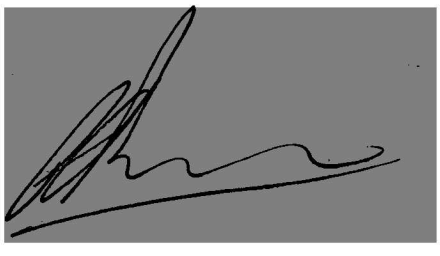
Dear Ms. Humphries,

PROPOSED CONVERSION AND EXTENSION OF EXISTING GARAGE TO FORM NEW DWELLING AT 160 HEATH LANE, EARL SHILTON, LE9 7PD

Further to your telephone call in respect of our Planning Application for the above development regarding the external wall finish, I am unable to submit a sample of the render, but confirm the new walls will be rendered with spa chippings on a cement/sand based render as per the attached photograph to match the existing.

I trust that this is satisfactory and should you require any further information please do not hesitate to contact me.

Yours faithfully



Philip Baumber
