Planning Case Officer: Zahra Jam-Rotbeh

Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

The Local Highway Authority (LHA) refers the Local Planning Authority (LPA) to current standing advice provided by the Local Highway Authority dated September 2011.

Public Right of Way (PRoW)

Public Footpath Z23 runs adjacent to the proposed development.

The LHA are satisfied that the use and enjoyment of the Public Footpath will not be significantly affected, however the following notes should be drawn to the Applicant's attention:

- a) Prior to construction, measures should be taken to ensure that users of the Public Right of Way are not exposed to any elements of danger associated with construction works.
- b) Public Rights of Way must not be re-routed, encroached upon, or obstructed in any way without authorisation. To do so may constitute an offence under the Highways Act 1980.
- c) Public Rights of Way must not be further enclosed in any way without undertaking discussions with the Highway Authority (0116) 305 0001.
- d) If the developer requires a Right of Way to be temporarily diverted, for a period of up to six months, to enable construction works to take place, an application should be made to networkmanagement@leics.gov.uk at least 12 weeks before the temporary diversion is required.
- e) Any damage caused to the surface of a Public Right of Way, which is directly attributable to the works associated with the development, will be the responsibility of the applicant to repair at their own expense to the satisfaction of the Highway Authority.

- f) No new gates, stiles, fences, or other structures affecting a Public Right of Way, of either a temporary or permanent nature, should be installed without the written consent of the Highway Authority. Unless a structure is authorised, it constitutes an unlawful obstruction of a Public Right of Way, and the County Council may be obliged to require its immediate removal.
