Hi Debbie,

Yes that's correct. We'd also advise that works be completed outside of the bird-breeding season.

Kind regards,

Kirsty

Hi Kirsty,

We have received an application for three houses on land off Eastwoods Road, Hinckley. The Design and Access Statement states that they have checked with Ecology and that a Protected Species Report will not be required as long as none of the mature trees to be removed have any cracks, hollows or are covered in ivy.

They are demolishing small residential sheds, but nothing too significant. Can you confirm that a Watching Brief would be ok please.

Regards
