-  RECYCLE BINS AT MAIN COLLECTION POINT
-  WASTE BIN WITHIN CURTILAGE
-  RECYCLE BIN WITHIN CURTILAGE

NOTE:

During the processing of the outline planning application we were advised that notwithstanding the fact that a bin wagon would be able to turn within the site, the bin collection lorry would not access the site and therefore we provided a bin collection point adjacent to Main Street for residents to take their bins to that collection point on bin collection days and return their bins to their own curtilages afterwards. The location of the bin collection point was accepted by the Planners.
