Non-Material Amendment(s) Sought

We are seeking to amend the wording of certain planning conditions to allow the submission of information to be phased, in line with the phased delivery of the development across the site.

Please state why you wish to make this amendment

This wording allows flexibility for the development to be delivered in a phased manner, enabling each phase to progress independently once the relevant details and approvals for that phase have been agreed with the Local Planning Authority.

Details of the pre-application advice received

In principle we agree to re-wording the conditions to facilitate the phased delivery of the site.

We would obviously have to agree on appropriate wording for each condition in due course, and I agree that a NMA would be an appropriate way to deal with this.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
