Dear Sirs

Re: Application No. 10/00403/COU
The Bungalow Hydes Lane Hinckley

With reference to the above planning application the company's observations regarding sewerage are as follows.

I confirm that Severn Trent Water Limited has NO OBJECTION to the proposal subject to the inclusion of the following condition.

Condition 1
The development hereby permitted shall not commence until drainage plans for the disposal of surface water and foul sewage have been submitted to and approved by the Local Planning Authority. The scheme shall be implemented in accordance with the approved details before the development is first brought into use.

Reason
To ensure that the development is provided with a satisfactory means of drainage as well as to reduce the risk of creating or exacerbating a flooding problem and to minimise the risk of pollution.
