The details submitted are ACCEPTABLE and the condition is hereby DISCHARGED, subject to the scheme being carried out strictly with the full terms of the condition.

Notes to Applicant:

1. Notwithstanding the discharge of Condition 8 for reducing surface water draining on to the highway, if the plan is not consistent to that approved for the drainage conditions on the outline permission then Condition 8 will need to be applied for to be re-discharged to ensure the plans for the drainage scheme are consistent.
2. Notwithstanding the above, the applicant should note there will be a requirement for further discussions regarding the site drainage with the LHA if the applicant would like the roads within the development to be offered for adoption by the LHA as the applicant will be required to enter into an agreement under Section 38 of the Highways Act 1980.
