Hi,

With regard to my previous email below. Please can you advise whether you're able to progress my request for an amendment to the above application so that the depth of the extension end wall is 8 metres and not 6.7 metres.

Many thanks,

Mark.

Hi,

I'm writing with regard to my Prior Approval application - Ref: 24/00440/HHGDO.

I would like to request an amendment to the application build plans. The already submitted plans show the distance from the rear wall of the original house to the outer edge of the end wall of the extension as 6.70 metres in depth.

I would now like the depth of the extension from the rear wall of the original house to the end wall of the extension to be 8.00 metres. I have attached a PDF document for the amended plan.

Many thanks for your help.

Kind regards,

Mark.

Mark Evans.
