Subject: REMOVAL OF SYCAMORE TREE ST. MARGARETS, STOKE GOLDING.

Your Reference: 08/00938/TPOCA. **My reference:** RA/SG/10/ 08.

Date: 3 October, 2008

The Sycamore tree subject of the attached application is a poor specimen, the main stem is covered in ivy, and the tree is inhibited on either side by further Sycamores.
The removal of this tree will enable the two further trees to develop into more acceptable specimens.
I can recommend approval as described within the application.
