Dear Jonathan,

Thank you for your email.

With regards to the biodiversity survey we do still need this but it could in this situation be a report by yourselves to say that you have examined the roof space and trees for evidence of bats, nesting birds etc . If there isn't any then that will be all we need to know. If there is then we will need to know what measures will be taken.Here is a link which may be useful

http://www.hinckley-bosworth.gov.uk/pp/gold/viewGold.asp?IDType=Page&ID=16491

With regards the tree survey that will be fine as long as all trees on the site are included on the plan.

Again if you wish to email any plans and reports could you send them to planning@hinckley-bosworth.gov.uk

Regards

Denise Bigley
