Proposal: Lawful Development Certificate for single storey side extension

Recommendation

1. Issue a certificate of lawful proposed development for the single storey side extension.
2. **Application description**
 - 2.1. The application is for a Certificate of Lawful Proposed Development for a single storey side extension to a detached bungalow. The site retains its permitted development rights. The side extension extends 2.81 metres at the back side of the extension and 4.32 meters as the maximum width of the extension. The extension has a flat roof with maximum height of 2.72 metres. Matching materials are proposed for the extension.
3. **Description of the site and surrounding area**
 - 3.1. The property is a semi-detached brick built and render bungalow set back from the public highway. It has a flat roof attached garage, front hardstanding and loose stones driveway and grass verge. The dwellinghouse is within the residential boundary of Hinckley, not listed and not within a conservation area.
 - 3.2. The surrounding street scene is characterised with two storey properties to the west and single storey properties to the east, all brick and render built properties.
4. **Relevant planning history**

None related.
5. **Publicity**
 - 5.1. None required.
6. **Consultation**
 - 6.1. None required.
7. **Policy**
 - 7.1. The Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended)
8. **Appraisal**
 - 8.1. The main consideration for the determination of this application is whether the proposed development falls within permitted development as set out under The Town and Country Planning (General Permitted Development) (England) Order 2015 Schedule 2 Part 1, Class A (enlargement, improvement or other alteration of a dwellinghouse).

For the purpose of Class A, the following criteria are applicable:
Development is not permitted if:-

- (a) permission to use the dwellinghouse as a dwellinghouse has been granted only by virtue of Class G, M, MA, N, P, PA, or Q of Part 3 of this Schedule (changes of use);

Permission to use the site as a dwellinghouse has not been granted by Class G, M, MA, N, P, PA, or Q of Part 3 of this Schedule.

- (b) as a result of the works, the total area of ground covered by buildings within the curtilage of the dwellinghouse (other than the original dwellinghouse) would exceed 50% of the total area of the curtilage (excluding the ground area of the original dwellinghouse);

The proposed total area of ground covered by buildings within the curtilage of the dwellinghouse, does not exceed 50% of the total area of the curtilage.

- (c) the height of the part of the dwellinghouse enlarged, improved or altered would exceed the height of the highest part of the roof of the existing dwellinghouse;

The height of the single storey side extension does not exceed the height of the highest part of the roof of the existing dwellinghouse.

- (d) the height of the eaves of the part of the dwellinghouse enlarged, improved or altered would exceed the height of the eaves of the existing dwellinghouse;

The height of the eaves does not exceed the height of the eaves of the existing dwellinghouse.

- (e) the enlarged part of the dwellinghouse would extend beyond a wall which—

- (i) forms the principal elevation of the original dwellinghouse; or
- (ii) fronts a highway and forms a side elevation of the original dwellinghouse;

The extension is to the side elevation of the original dwellinghouse.

- (f) subject to paragraph (g), the enlarged part of the dwellinghouse would have a single storey and—

- (i) extend beyond the rear wall of the original dwellinghouse by more than 4 metres in the case of a detached dwellinghouse, or 3 metres in the case of any other dwellinghouse, or
- (ii) exceed 4 metres in height;

The proposal is for a single storey side extension and does not extend by more than 3m or exceed 4m in height .

- (g) for a dwellinghouse not on article 2(3) land nor on a site of special scientific interest, the enlarged part of the dwellinghouse would have a single storey and—

- (i) extend beyond the rear wall of the original dwellinghouse by more than 8 metres in the case of a detached dwellinghouse, or 6 metres in the case of any other dwellinghouse, or
- (ii) exceed 4 metres in height;

The site is not within a conservation area and does not extend by more than 6m or by more than 4m in height.

- (h) the enlarged part of the dwellinghouse would have more than a single storey and—

- (i) extend beyond the rear wall of the original dwellinghouse by more than 3 metres, or
- (ii) be within 7 metres of any boundary of the curtilage of the dwellinghouse being enlarged which is opposite the rear wall of the dwellinghouse;

The extension is single storey to the side.

- (i) the enlarged part of the dwellinghouse would be within 2 metres of the boundary of the curtilage of the dwellinghouse, and the height of the eaves of the enlarged part would exceed 3 metres;

The extension is within 2 metres of the boundary, but the eaves do not exceed 3 metres.

- (j) the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse, and would—
 - (i) exceed 4 metres in height,
 - (ii) have more than a single storey, or
 - (iii) have a width greater than half the width of the original dwellinghouse;

(ja) any total enlargement (being the enlarged part together with any existing enlargement of the original dwellinghouse to which it will be joined) exceeds or would exceed the limits set out in sub-paragraphs (e) to (j);

The single storey extension is to the side, height not exceeding 4 metres and width not greater than half the width of the original dwellinghouse. The garage was originally attached to the dwelling and therefore does not exceed the limits set out in sub-paragraph (e) to (j).

- (k) it would consist of or include—
 - (i) the construction or provision of a verandah, balcony or raised platform,
 - (ii) the installation, alteration or replacement of a microwave antenna,
 - (iii) the installation, alteration or replacement of a chimney, flue or soil and vent pipe, or
 - (iv) an alteration to any part of the roof of the dwellinghouse; or
- (l) the dwellinghouse is built under Part 20 of this Schedule (construction of new dwellinghouses).

The application does not include the installation or alteration noted in the above sections and not built under Part 20 of this Schedule (construction of new dwellinghouses).

A.2 In the case of a dwellinghouse on article 2(3) land, development is not permitted by Class A if—

- (a) it would consist of or include the cladding of any part of the exterior of the dwellinghouse with stone, artificial stone, pebble dash, render, timber, plastic or tiles;
- (b) the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse; or
- (c) the enlarged part of the dwellinghouse would have more than a single storey and extend beyond the rear wall of the original dwellinghouse.

(d) any total enlargement (being the enlarged part together with any existing enlargement of the original dwellinghouse to which it will be joined) exceeds or would exceed the limits set out in sub-paragraph (b) and (c).

The application does not relate to article 2(3) land.

Conditions

A.3 Development is permitted by Class A subject to the following conditions—

(a) the materials used in any exterior work (other than materials used in the construction of a conservatory) must be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse;

The application proposes to use matching materials and does not propose more than a single storey rear extension, and as such no upper floor windows are proposed.

9. Equality implications

9.1. Section 149 of the Equality Act 2010 created the public sector equality duty. Section 149 states:-

- (1) A public authority must, in the exercise of its functions, have due regard to the need to:
 - (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
 - (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
 - (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

9.2. Officers have taken this into account and given due regard to this statutory duty, and the matters specified in Section 149 of the Equality Act 2010 in the determination of this application.

9.3. There are no known equality implications arising directly from this development.

9.4. The decision has been taken having regard to all relevant planning legislation, regulations, guidance, circulars and Council policies, including General Data Protection Regulations (2018) and The Human Rights Act (1998) (HRA 1998) which makes it unlawful for the Council to act incompatibly with Convention rights, specifically Article 6 (right to a fair hearing); Article 8 (right to respect for private and family life); Article 1 of the First Protocol (protection of property) and Article 14 (prohibition of discrimination).

10. Conclusion

10.1. The proposal is considered to be permitted development under the relevant criteria of Schedule 2 Part 1, Class A of the Town and Country Planning (General Permitted Development) (England) Order (as amended).

10.2. The proposal complies with the relevant parts and satisfies the conditions.

11. Recommendation

11.1 **Issue certificate of lawful proposed development for single storey side extension.**

11.2 **Reasons**
