Dear James,

Reassessment of Section 106 Contributions for Planning Application No. 08/00884/FUL

Further to our recent discussions in respect of the above, I confirm that I have submitted my invoice for the agreed amount to David Wilson Homes and asked Gary at Mellers to do likewise.

If there are any subsequent issues which require our further input I should of course be pleased to assist.

May I just take this opportunity of thanking you for your consideration in employing ourselves in this task and I hope you found us of assistance.

With kind regards,

Yours sincerely

Hugh.
