Dear Paul,

I have received the attached sketch from my client regarding the internal arrangements for the unit. The proposed office will be located internally to the south east of the existing building within the disused stable. The area measures 3.9m x 4.5m. The remaining floor area will be for storage (270sq.m).

I can confirm there will be no external alterations to the building.

Please could you let me know whether this information is sufficient to validate the application.

Kind regards

Naomi Wilton
