

SCALE 1:1250 @A4

- Note: The producer of this drawing accepts no liability for discrepancies in respect of all dimensions and/or levels. Do not scale to ascertain dimensions. All dimensions are to be checked and verified on site by the competent responsible contractor(s) prior to commencement of works.
- Note: If in any doubt consult your Building Control Officer prior to manufacture or installation.
- Note: This drawing is to be read in conjunction with Structural Engineers Drawings/Calculations where required. Note: No proposal should encroach boundary without prior written consent of the owner of that land.
- Note: All details and dimensions relating to sub-contractors or suppliers to be checked and agreed on site prior to order and/or manufacture.
- Note: Drainage runs are assumed and are to be determined on site by the responsible competent contractor(s).
