

Delegated Report

Planning Ref: 24/00176/TPO

Applicant: Mark Newton

Ward: Hinckley Castle

Hinckley & Bosworth
Borough Council

Site: Appleby House Priory Walk Hinckley

Proposal: (G1) - Lime trees - Remove regrowth from tops of 3 limes closest to building.

1. Recommendations

1.1. Grant consent subject to:

- Planning conditions outlined at the end of this report

2. Planning application description

- 2.1. The application seeks consent for the removal of regrowth from the tops of the three Lime trees to the north-west of the site at Appleby House, Priory Walk, Hinckley.

3. Description of the site and surrounding area

- 3.1. The application site relates to a three storey apartment building situated within the settlement boundary of Hinckley. The building comprises the use of red brick and cream render to the walls, grey tiles to the roof and white uPVC to the windows and doors. The site sits within St Peters Court.
- 3.2. The Lime trees line the western boundary of the site and sit adjacent to public footpath (V1) from Holliers Walk to Stockwell Head, Hinckley (Baptist Walk) and form G1.
- 3.3. The trees are protected by the Hinckley and Bosworth Tree Preservation Order reference 99/00016/TPORD.
- 3.4. An application (23/01016/TPO) was approved in December 2023 for the removal of basal and stem epicormic growth to approximately 5.00 metres to the line of the 7 Lime trees with extensive epicormic stem growth.

 - Planning Practice Guidance (PPG)
- 7.5. Other relevant guidance
- Good Design Guide (2020)
 - National Design Guide (2019)

8. Appraisal

8.1. Key Issues

- Impact upon the amenity of the area
- Whether the application is justified

Impact upon the amenity of the area

8.2 Policy DM10 of the SADMP requires that consideration be given to the impact of the proposal on amenity and the character of the surrounding area. The Lime trees (G1) are subject to a tree preservation order and therefore area considered to contribute towards a high level of amenity value.

8.3 The three Lime trees are situated to the north-west boundary of the site, and form a uniform line of seven Lime trees in total. Due to the location of the trees they can be viewed from Priory Walk, Wood Close, Wood Street Close and the adjacent public footpath (V1). The Local Planning Authority have, however considered the proposed works as proportionate and reasonable and would not detract from the amenity value of the area.

8.4 The Local Planning Authority deems the proposed works are suitable as long as carried out in accordance with BS 3998:2010.

Whether the application is justified

8.5 Works to Lime trees (G1) are considered to be justified. The proposed works will ensure that adequate distance is achieved between the branches and residential apartment building, Appleby House, Priory Walk.

8.6 The application is therefore considered to be justified in accordance with Policy DM10 of the SADMP.

9. Equality implications

9.1 Section 149 of the Equality Act 2010 created the public sector equality duty. Section 149 states:-

- (1) A public authority must, in the exercise of its functions, have due regard to the need to:
 - (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
 - (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
 - (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

9.2 Officers have taken this into account and given due regard to this statutory duty, and the matters specified in Section 149 of the Equality Act 2010 in the determination of this application.

9.3 There are no known equality implications arising directly from this development.

10. Conclusion

10.1. In conclusion the works to the Lime trees (G1) are considered reasonable due to the works being proportionate and minor. The Local Planning Authority is satisfied that the works proposed to the tree are necessary. The proposal is in accordance

with policy DM10 of the SADMP. As a result, the application should be approved with conditions set out below.

11. Recommendation

11.1 Grant consent subject to:

- Planning conditions outlined at the end of this report

11.2 Conditions and Reasons

1. The approved works shall only be carried out in accordance with British Standards Recommendations for Tree work - BS 3998:2010.

Reason: To ensure that the works are carried out in a way that safeguards the health and amenity of the tree in accordance with Policy DM10 of the Site Allocations and Development Management Policies DPD and paragraph 136 of the NPPF.

2. The works to which this consent relates shall be completed within two years from the date of this consent.

Reason: In accordance with the provisions of the Town and Country Planning (Tree Preservation) Regulations 2012.

3. The proposed works to the Lime trees (G1) shall be restricted to the removal of regrowth from tops of 3 limes closest to building only.

Reason: To ensure that the works are carried out in a way that safeguards the health and amenity of the trees in accordance with Policy DM10 of the Site Allocations and Development Management Policies DPD and paragraph 136 of the NPPF.

11.3 Notes to applicant

- a.) It is a criminal offence to damage or destroy a bat roost. Therefore, if the tree is mature and has hollow cavities and / or is covered with ivy, or has suitable places in which bats might roost, we recommend that it be surveyed for bats before any work is carried out to the tree. All birds, their nests and eggs are protected by the Wildlife and Countryside Act. We recommend that work to trees is done outside the bird-nesting season - i.e between the end of August and beginning March. If work to the tree is to be undertaken during the bird breeding season, we recommend that a suitably qualified ecologist surveys the tree for nesting birds. If nesting birds are present, work must be postponed until the young have left the nest.
- b.) You are advised that the consent is valid for a period of two years commencing from the date permission is granted, the works for this consent may only be carried out once unless stated otherwise by condition.
- c.) It is necessary, when carrying out works to tree(s) to be aware of the WILDLIFE AND COUNTRYSIDE ACT, 1981, whereby it is an offence for any person who intentionally takes, damages or destroys the nest of any wild bird,

while the nest is in use or being built, or takes or destroys any eggs of such wild bird. The times when birds are nesting is generally between the months of March to September inclusive.
