

PARKING STATEMENT

PROPOSED SINGLE STOREY FRONT & REAR EXTENSION & PART GARAGE CONVERSION
65 BAGWORTH ROAD, BARLESTONE, CV13 0EQ

The house as existing has 4 bedrooms with parking at the front for 3 cars and a small garage.

The development is for extension at the front and rear of the property at ground floor so the number of bedrooms stays the same. The driveway reduces in length to 2 spaces but the proposal is to widen so that it can park 4 cars. The small garage is altered but stays a similar size.
