G. CHOICE OF PROCEDURE

It is important that you read carefully section G of the guidance leaflet before you complete this section.

There are 3 possible procedures:- written representations, hearings and inquiries. You should consider carefully which method suits your circumstances before selecting your preferred option by ticking the box.

1 THE WRITTEN REPRESENTATIONS PROCEDURE

W ✓*

This is normally the simplest, quickest and most straightforward way of making an appeal. The written procedure is particularly suited to small-scale developments (e.g. individual houses or small groups of houses; appeals against conditions and changes of use).

* Please answer the questions below.

a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? Yes No ✓

b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts? If so, please explain below or on a separate sheet. Yes ✓ No

2 THE HEARING PROCEDURE

H ◈

This procedure is likely to be suited to more complicated cases which require detailed discussion about the merits of a proposal. At the hearing the Inspector will lead a discussion on the matters already presented in the written statements and supporting documents. Although you may indicate a preference for a hearing, the Inspectorate must also consider that your appeal is suitable for this procedure.

◈ Please answer the question below.

a) Is there any further information relevant to the hearing which you need to tell us about? If yes please explain below. Yes No

3 THE INQUIRY PROCEDURE

I ⚠

This is the most formal of procedures. Although it is not a court of law the proceedings will often seem to be quite similar, as the parties to the appeal will usually be legally represented and expert witnesses may be called to give evidence. Although you may indicate a preference for an inquiry the Inspectorate must also consider that your appeal is suitable for this procedure.

⚠ Please answer the questions below.

a) How long do you estimate the inquiry will last? No. of days
(Note: We will take this into consideration, but please bear in mind that our estimate will also be informed by others' advice and our own assessment.)

b) How many witnesses do you intend to call? No. of witnesses

c) Is there any further information relevant to the inquiry which you need to tell us about? If so, please explain below. Yes No

H. GROUNDS OF APPEAL

See section H of the guidance leaflet to help you decide what to include in your grounds of appeal.

Do you intend to submit a planning obligation (a section 106 agreement or a unilateral undertaking) with this appeal? Yes No ✓

The proposed extension is located 16 metres from the front elevation of the main farmhouse building to the rear, sited in a position to that of a previous building and based on a similar footprint. The extension is in scale with the composition of the existing single storey buildings with continuation of the exisiting ridge line, the mass is representative of the previous building sited in the same position.

Hinckley & Bosworth Local Plan - Adopted 01/02/2001.
'Policy BE-4 - Alterations to Listed Buildings' and 'PolicyBE5 - The Setting of a Listed Building'.
Originally the farmhouse was not attached to the single storey out-building to be extended. Planning permission was granted to construct a single storey extension to link the two buildings. Reclaimed materials are to be used in the extension to match the existing. The fenestration of the proposals will match existing eaves and verge detailing, including window cills and joinery details
The extension is to be sited within a garden area which does not form an integral part of the original design and layout of listed building. The setting for the extension is enclosed by trees, shrubs and hedgerow which will be retained, adjacent to the proposals is a two storey building providing garaging and accommodation above, all of which forms an enclosure.

H. GROUNDS OF APPEAL (continued)

Please continue on a separate sheet if necessary.
