Dear Mr Pritchett

Re: Planning Permission 10/00474/CONDIT – Caterpillar (UK) Ltd – Desford, Leicestershire

I refer to your letter with enclosures dated 6th December 2010 and email with enclosures dated 14 April 2011 regarding the above planning permission in respect of discharge of Condition 2.

Following consultation with the Health and Environment section, I can confirm that the information provided in the aforementioned enclosures on the frequency and methodology of acoustic surveys and location and specification of the monitoring equipment is acceptable towards discharge of Condition 2.

I look forward to receiving further information regarding monitoring of the use of the test track area during the extended hours (half hourly) in 3 monthly reports as approved.

Yours sincerely

Richard Wright
Area Planning Officer
