If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The proposal is to add an area of hardstanding to serve as off road car parking area to serve the dog walking field. The hardstanding area is to have fencing & gates to ensure the area is secure.

Does the proposal consist of, or include, a change of use of the land or building(s)?

The proposal is to include an additional change of use to usage type 'E', to allow the operation of a dog walking field business. The property will not be used for this purpose outside daylight hours Further details are supplied in the enclosed Design & Access statement.

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

Permitted development allows the additional use of commercial use type 'E' to be added to agricultural property within specific areas. This proposal is within these guidelines.

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
