Louise

Barton in the Beans – 10/00469/FUL

I refer to our conversation yesterday in respect of the above planning application.

Since the submission of the planning application my client has received confirmation that he is to be awarded a £25,000 grant from Inspire Leicestershire to support the development of his equestrian business in Barton in the Beans. The parties involved with Inspire Leicestershire are: East Midlands Development Agency, Leicestershire Rural Partnership and Leicestershire County Council. I have attached a leaflet which provides details of the scheme and a link to the relevant website for your reference.

The award of such a grant demonstrates clear support for my client's livery business as a development which makes an important contribution to the local rural economy.

I would be grateful if this additional information could be included as part of the Committee report.

Kind regards

Ellie Jones LLB (Hons) MSc MRTPI
