This drawing is to be read in conjunction with all relevant drawings and notes.

Do not scale from this drawing. Use figured dimensions only. All levels and dimensions to be checked on site. All level and dimensional discrepancies are to be brought to the immediate attention of HSE and/or Architect.

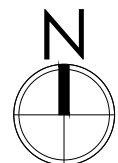

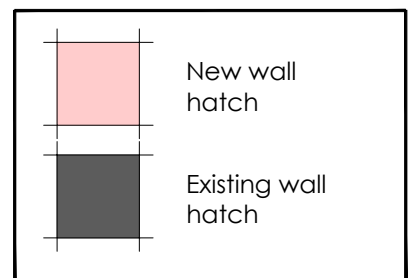

Design and construction of this drawing is the sole responsibility of the Engineer from this design without prior acknowledgement of HSE Architects Ltd.

Copyright reserved. This drawing may only be used for the client and the project named in the title block. It may not be copied, reproduced or used for any other third party without prior written consent from HSE Architects Ltd.

Prior to any works commencing on site, the Engineer is to be contacted to discuss the current status, revision or regulatory approval of this drawing.

All work to be to the entire satisfaction of the HNBC or Local Authority. All notwithstanding anything shown or indicated on these drawings. All work to be carried out in accordance with the relevant Building Regulations and the latest equivalent of the appropriate British Standard Code of Practice. All relevant dimensions and levels to be ascertained or checked and verified on site.

This drawing is to be read in conjunction with clients specification/employers requirements and structural engineers design.

Block plan 1:500

B: Bat brick specification added
