

## National Highways Planning Response (NHPR 22-12) Formal Recommendation to an Application for Planning Permission

From: Andy Jinks (Regional Director)  
Operations Directorate  
West Midlands Region  
National Highways  
[PlanningM@nationalhighways.co.uk](mailto:PlanningM@nationalhighways.co.uk)

To: Hinckley & Bosworth Borough Council

CC: [transportplanning@dft.gov.uk](mailto:transportplanning@dft.gov.uk)  
[spatialplanning@nationalhighways.co.uk](mailto:spatialplanning@nationalhighways.co.uk)

**Council's Reference:** 23/01204/REM

**Location:** Land South Of Sketchley Grange Hotel Sketchley Lane Burbage  
Leicestershire

**Proposal:** Application for approval of Reserved Matters (relating to layout, scale, appearance and landscaping) of appeal decision  
APP/K2420/W/22/3301735 (outline planning application 21/01131/OUT)  
for the provision of 127 dwellings, a substation, public open space, an attenuation pond and associated works

**National Highways Ref:** NH/23/04814

Referring to the consultation on a planning application dated 9 January 2024 referenced above, in the vicinity of the A5 trunk road that forms part of the Strategic Road Network, notice is hereby given that National Highways' formal recommendation is that we:

- a) offer no objection (see reasons at Annex A);
- ~~b) recommend that conditions should be attached to any planning permission that may be granted (see Annex A – National Highways recommended Planning Conditions & reasons);~~
- ~~c) recommend that planning permission not be granted for a specified period (see reasons at Annex A);~~
- ~~d) recommend that the application be refused (see reasons at Annex A)~~

Highways Act 1980 Section 175B is/is not relevant to this application.<sup>1</sup>

This represents National Highways' formal recommendation and is copied to the Department for Transport as per the terms of our Licence.

Should the Local Planning Authority not propose to determine the application in accordance with this recommendation they are required to consult the Secretary of State for Transport, as set out in the [Town and Country Planning \(Development Affecting Trunk Roads\) Direction 2018](#), via [transportplanning@dft.gov.uk](mailto:transportplanning@dft.gov.uk) and may not determine the application until the consultation process is complete.

The Local Planning Authority must also copy any consultation under the 2018 Direction to [PlanningM@nationalhighways.co.uk](mailto:PlanningM@nationalhighways.co.uk).

<sup>1</sup> Where relevant, further information will be provided within Annex A.

## **Annex A**      **National Highways' assessment of the proposed development**

National Highways has been appointed by the Secretary of State for Transport as a strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the Strategic Road Network (SRN). The SRN is a critical national asset and as such we work to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

### **Development Proposal**

Application for approval of Reserved Matters (relating to layout, scale, appearance and landscaping) of appeal decision APP/K2420/W/22/3301735 (outline planning application 21/01131/OUT) for the provision of 127 dwellings, a substation, public open space, an attenuation pond and associated works.

### **Consultation Response and Reasoning**

National Highways acknowledges receipt of the information provided in support of this application. The applicant has addressed the issues raised in our response to the outline planning application (21/01131/OUT) and therefore National Highways has **No Objection** to the Reserved Matters application consultation.

### **Standing advice to the local planning authority**

The Climate Change Committee's [2022 Report to Parliament](#) notes that for the UK to achieve net zero carbon status by 2050, action is needed to support a modal shift away from car travel. The NPPF supports this position, with paragraphs 73 and 105 prescribing that significant development should offer a genuine choice of transport modes, while paragraphs 104 and 110 advise that appropriate opportunities to promote walking, cycling and public transport should be taken up.

Moreover, the build clever and build efficiently criteria as set out in clause 6.1.4 of [PAS2080](#) promote the use of low carbon materials and products, innovative design solutions and construction methods to minimise resource consumption.

These considerations should be weighed alongside any relevant Local Plan policies to ensure that planning decisions are in line with the necessary transition to net zero carbon.
