Subject: 26/00607/TCA
Categories: April

Good afternoon,

I am emailing on behalf of the Parish Council who have asked me to pass on their objections relating to planning application **26/00607/TCA**.

It is the opinion of the Parish Council that falling needles and branches is a natural occurrence and does not constitute as a reason to fell the tree due to concerns of potential damage.

Given the attached tree survey to the application that was conducted by BB Trees Ltd in 2023, it clearly states that no work was required for safety reasons, but pruning could be considered as a courtesy to the neighbouring property.

Therefore the Parish Council wish to object to the felling of the tree, but would support reasonable pruning.

Kind regards,

Elinor
