Subject: HIGH PRIORITY 11/00523/FUL

Please could a planning officer look at this request as a matter of urgency?

Today and tomorrow, a tree surgeon company are felling two trees in Wood Lane, Cadeby. On the above plans we are aware that tree T1 will be felled but we have been lead to believe that tree T2 may also be coming down. As far as Caedeby PC can ascertain from the approved planning application, it doesn't show approval to fell T2. If T2 is to be felled we would have expected the usual prior notification to be given and we therefore need H&BBC to check their records. Cadeby PC don't believe they have seen any notification for the felling of T2.

Please could this enquiry be dealt with as a matter of urgency because the tree surgeons are on site.

Many thanks.
