Subject: S278CENG.011 - Lutterworth Road, Burbage - Consultation on priority buildouts

Dear All,

Leicestershire County Council is carrying out a public consultation on behalf of Redrow Homes for the installation of traffic calming along Lutterworth Road, Burbage.

The proposal is shown on drawing S278CENG.011/Z1/40/1/1 (attached).

Please note this consultation was initially started in 2020 but left unfinished due to staff resource issues caused by other workload priorities during the pandemic. As a result, the council must repeat the consultation after a significant amount of time had elapsed. We understand that the developer had already installed the traffic calming features at their own risk, dependant on the outcome of this consultation process and Road Safety Audits.

All comments regarding the proposals must be received in writing before 21st December 2023 and sent to the County Council either by email to: [REDACTED] or in writing for the attention of Hussein Lambat at Room 700, County Hall, Leicester Road, Glenfield, Leicestershire, LE3 8RA quoting reference S278CENG.011. If no reply is received within this period, it will be assumed that you have no comments to make.

All comments made will be summarised and reviewed by your local County Councillor, the Lead Member and the Director of Environment and Transport, after which a decision will be taken on how to proceed. It is anticipated that this will be in early January 2024 and people who comment on the scheme will be advised of the decision.

If you require any further information, or the above in an alternative format or language, please do not hesitate to contact our Customer Service Centre on (0116) 3050001 or email [REDACTED]

Yours faithfully,

Hussein Lambat | Senior Technician
