RESIDENTIAL PREMISES

Comments : The collection point for domestic recycling, garden waste and refuse is from the adopted highway boundary. Please refer to the following downloads on the website.

https://www.hinckley-bosworth.gov.uk/info/200084/bins_recycling_and_rubbish/133/property_developer_guidance_-_recycling_garden_waste_and_refuse_services/2

The following condition is recommended:

No development shall take place until a scheme makes adequate provision for waste and recycling storage of containers and collection across the site which has been submitted to and approved in writing to the Local Planning authority. The details should address accessibility to storage facilities and confirm adequate space is provided at the adopted highway boundary to store and service wheeled containers.

Kind regards
