9th September, 2008.

Dear Sir's

Inspection of roof space with regards bats & nesting birds.

Watling Farm House, Burbage, Hinckley, LE10 3AR
Garage Extension And Increase of Roof Pitch To Incorporate A First Floor

With regards to the planning application for the above proposal, I can confirm that a thorough inspection of the roof space was carried out on 13th August 2008. There were no signs of birds nesting or bats inhabiting the roof space or components of the roof at this time.

Yours faithfully

Barry Brooks MRICS MBEng
