Comments Details

Dear Matt,

Thank you for consulting the National Forest Company on the above application for the 'creation of four traveller pitches.'

Comments: An amended plan has been received showing two areas of orchard planting, which we consider appropriate. Full details of the planting (species, tree size, location, method of protection and a scheme of implementation) will need to be conditioned, along with the requirement for replacement planting in the event of failures.

Kind Regards
Eilish

Eilish Gardner | Green Infrastructure & Planning Officer
