Particulars and location of proposed work :

WORKS TO TWO LIME TREES

10 Forest View Botcheston Leicester Leicestershire LE9 9QH

Part II

The tree(s) affected by the proposed work is protected by the Botcheston (Polebrook House) Tree Preservation Order 1987.

Part III - Particulars of decision

The Hinckley and Bosworth Borough Council hereby consents to the work proposed in the application referred to in Part 1 hereof in accordance with the application form and plans submitted, subject to the following conditions :-

1. Works are to be limited to the pollarding of the crown to the main structure of the two limes only.

2. All works shall be carried out in accordance with British Standards 3998 - 'Works to Trees'.

The reasons for the conditions are :-

1. To reduce the potential of the trees to shed pollen.

2. To ensure all works are carried out in a satisfactory manner.

NOTES TO APPLICANT :-

1. The pollarding works will allow the flowering stems of the trees to be considerably reduced, where any re-growth will not reach maturity for some years by which time the process can be repeated, thus reducing the potential of the trees to shed pollen.

2. Despite the proposed works to the two limes trees, it is the opinion of the Local Planning Authority that the mature Oak tree on site will still provide some cover at the approaches to the development.
