Dear Sirs

Application for Lawful Development Certificate - internal alterations, garage block, 80a Coventry Road, Burbage

Please find enclosed an application to change the internal layout to the garage block at 80a Coventry Road, Burbage.

I am lead to believe that I may require a Lawful Development Certificate in this respect.

It is not the intention in the proposal to separate the building in any respect from the main dwelling. However it is to allow for some degree of independent living for a son would it to return to the family home. Services to and from the building will remain channelled through the main property through single meters with shared access and parking.

I enclose the fee which I am advised is £167.50 and await your further contact.

Yours faithfully

Nicholas Bailey
