Hello Giles,

Could you please see my response to the Environmental Health comment below? I could access the document, but couldn't see where to respond. Sorry!

Dear Sir/Madam, A consultee has commented on a Planning Application. A summary of the comments is provided below. Comments were submitted at 03/12/2024 8:30 AM from Mr Giles Rawdon (giles.rawdon@hinckleybosworth.gov.uk) on behalf of HBBC ES Pollution 2. Application Summary Reference: 24/01056/FUL Address: 7A Church Walk Hinckley Leicestershire LE10 1DW Proposal: Change of use from taxi office to drama academy Case Officer: Ashleigh Gade Click for further information Comments Details

Comments: With regard to noise: Please can the applicant provide some information on the layout of the proposal? A plan of the first floor proposal is included however not of the ground floor- what are the plans for the ground floor? **The ground floor shop is not changing use. It was a retail area and it will be used to sell our academy merchandise, so there is no change.** if these are not in the same use how will noise/impact noise be controlled between the ground and 2nd floor? Is any amplified music/speech proposed? Is dance proposed? What are the proposed opening hours of the premises. **Our opening hours for our classes will be evening 4 – 9 pm, but the premises will be used during the day for simple office/admin use. Again, this only applies to the first floor- 5 a, being the shop, is not a change of use.**

Kind regards,
