Dear Mr Dennis

Re: Discharge of condition to planning permission 08/00891/FUL

I refer to your recent submission.

I can confirm that condition no.14 (landscaping) is discharged on the basis of the submission of the details in the conditions application and as shown on Plan LP01 and the accompanying handwritten specification both received 23 April 2009.

I am unable to discharge condition no.11 as you have failed to supply details of when the bus stop will be implemented. I note that the details you have supplied by the County Council explain that they will be able to provide a date by when the work will be carried out. Confirmation of this in writing will be necessary to discharge the condition.

Your attention is drawn to the other conditions of your planning approval.

If you wish to discuss this matter further, please contact James Hicks on 01455 255762.

Yours sincerely

for Tracy Darke
Development Services and Policy Manager
