INPOST PARCEL LOCKER

Use

The proposal is for the siting of an InPost Parcel Locker. The locker will be sited outside an existing premises (the Bagworth Working Men's Club) on an area of existing hardstanding. The locker is 3 metres wide, 0.92 metres deep, with a maximum height of 2.452 meters (to the top of the canopy).

Landscaping

The site comprises an area entirely of hardstanding. The locker does not therefore impact on any existing landscaping or vegetation. As such, the proposal includes no provision for new landscaping.
