Details of the pre-application advice received

By implementation we mean something like this statement

“All hard and soft landscaping will be completed prior to XYZ (usually first occupation or first use) it is really so that if the landscaping is not implemented by a reasonable time, we have the ability to enforce as the implementation gives us an “end date” otherwise we have nothing to enforce against (not that this is likely) but it does cover the BC if this were to happen and it look an eyesore .
