Dear Tim,

23/01177/FUL | Residential development of 45 dwellinghouses with garage and associated driveway, open space, landscaping, drainage and LEAP (Revised scheme 22/01053/FUL) | Land At Crabtree Farm Hinckley Road Barwell

Thank you for your re-consultation on the above application, please accept my apologies for not being able to respond sooner.

We would recommend that the Project Design for Archaeological Field Evaluation Scheme submitted to the LPA 12/06/2024 is satisfactory.

Having reviewed the subsequent Archaeological Field Evaluation report (submitted to the LPA 28/06/2024), I can confirm that no additional archaeological involvement will be required. We have however contacted the applicant's archaeological consultant to recommend a number of alterations to the report (including clarification regarding archiving provisions). Once these changes have been applied we will advise the archaeological consultant that the applicant should submit the revised document to the LPA, for formal approval.

Please do feel free to get in touch if you have any further queries.

Kind Regards,

William
