

1. The Headwall and wing walls should not project beyond or above to line of the bank.
2. No part of the structure should cut into any flood embankment.
3. Ladder and handrailing to be in accordance with EEMUA Publication 105 - Factory Stairways, ladders and handrails.
4. All dimensions in millimetres unless otherwise stated.

- TYPICAL HEADWALL AND SAFETY GRILL
CONSTRUCTION DETAILS BASED UPON
SEVERN TRENT WATER DRAWINGS AND TO
BE READ IN CONJUNCTION WITH THEM.
References: STD6002 and STD6006.

The image shows the Travis Baker logo, which consists of two dark blue 3D rectangular blocks. The larger block in the foreground has the words "travis baker" written on its front face in a white, lowercase, sans-serif font. To the left of the logo, the company name "Travis Baker" is written in a bold, black, sans-serif font. Below the name is the address: "39 Stoney Street", "Lace Market", "Nottingham", and "NG1 1LX", all in a standard black font. To the right of the logo, the text "Transport Planning", "Flood Risk and Drainage", "Geo-Environmental", and "Civil and Structural Engineering" is listed in a bold, black, sans-serif font. Further to the right, the contact information is provided: "Nottingham Telephone:" followed by the number "0115 896 6655" in a bold font, and the email address "info@travisbaker.co.uk" and website "www.travisbaker.co.uk" in a standard font.
