Phil

Regarding the email below, the school referred to is, of course, the adjoining Barwell C E Junior School.

The Head of the above school has been in touch with me seeking advice on responding to the above.

There is a problem in that next week is school half term which makes it difficult for them to discuss the matter with all their Governors and other interested parties in time to submit comments to meet the deadline which they take to be 1st November.

Is there any likelihood of extending this timescale please? Presumably it is dependant on which Committee date you are aiming for?
