### Comments Details

The following conditions are recommended.

#### CONTAMINATED LAND

##### C174. Land Contamination

Comments: a)No development approved by this permission shall be commenced until a scheme for the investigation of any potential land contamination on the site has been submitted to and agreed in writing by the Local Planning Authority which shall include details of how any contamination shall be dealt with.

b)The approved scheme shall be implemented in accordance with the agreed details and any remediation works so approved shall be carried out prior to the site first being occupied.

NTA 50 - Contaminated Land (1)

In relation to conditions X and X advice from Environmental Health should be sought via [esadmin@hinckley-bosworth.gov.uk](mailto:esadmin@hinckley-bosworth.gov.uk) to ensure that any investigation of land contamination is in accordance with their policy.

C75. Land Contamination Found Later

a) If during development, contamination not previously identified is found to be present at the site, no further development shall take place until an addendum to the scheme for the investigation of all potential land contamination is submitted to and approved in writing by the Local Planning Authority which shall include details of how the unsuspected contamination shall be dealt with.

b) Any remediation works so approved shall be carried out prior to the site first being occupied.

C77. Landfill Gas Scheme

a) No development approved by this permission shall be commenced until a scheme for the monitoring of landfill gas on the site has been submitted to and agreed in writing by the Local Planning Authority which shall include details of how any landfill gas shall be dealt with.

b) The approved scheme shall be implemented in accordance with the agreed details and any remediation works so approved shall be carried out prior to the site first being occupied.

CONSTRUCTION ENVIRONMENTAL MANAGEMENT

a) Prior to commencement of development a Construction Environmental Management Plan shall be submitted to and agreed in writing by the LPA. The plan shall detail how, during the site preparation and construction phase of the development, the impact on existing and proposed residential premises and the environment shall be prevented or mitigated from dust, odour, noise, smoke, light and land contamination. The plan shall detail how such controls will be monitored. The plan will provide a procedure for the investigation of complaints.

b) The agreed details shall be implemented throughout the course of the development.

Site preparation and construction shall be limited to the following hours;

Monday – Friday 07:30 – 18:00

Saturday 08:00 – 13:00

No working on Sundays and Bank Holidays
