The details submitted with the following conditions are acceptable and the conditions are hereby discharged.

Condition 6

No development shall commence until a Construction Environmental Management Plan has been submitted to and approved in writing by the Local Planning Authority. The plan shall detail how, during the site preparation and construction phase of the development, the impact on existing and proposed residential premises and the environment shall be prevented or mitigated from dust, odour, noise, smoke, light and land contamination. The plan shall detail how such controls will be monitored and how construction traffic will be routed. The plan will provide a procedure for the investigation of complaints. The approved details shall be implemented throughout the course of the development.
