### Comments Details

Dear Tim,

23/01175/FUL | Residential development of 51 dwellings with associated access and parking (revised scheme of 21/00695/FUL) | Land At Crabtree Farm Hinckley Road Barwell

Thank you for your consultation on the above planning application.

Comments:

Having reviewed the current application against the Leicestershire and Rutland Historic Environment Record (HER), we can confirm that all of the necessary archaeological fieldwork associated with the proposed development of this site has now been completed as part of the previous planning application (21/00695/FUL).

As the site has previously been subject to full archaeological investigation, we do not believe that the current proposal will result in further significant direct or indirect impacts upon the archaeological interest or setting of any known or potential heritage assets. We would therefore advise that the application warrants no further archaeological action (NPPF Section 16, para. 189-190).

Please do feel free to get in touch if you have any further queries.

Kind Regards,

William
