Design & Access Statement

Macalister & Ogilvy 106 Castle Street Hinckley
for
Tramp Investments Ltd

106 Castle Street comprises a retail outlet on the ground floor with flats above and sits in the conservation area of Castle Street.

The proposed alterations are to provide a new security shutter to the shop front which is to be hidden behind a new painted timber traditional shopfront.

The access into the property isn't altered by the proposed alterations therefore the existing means of access for disabled persons will remain the same.
