Dear Sirs,

RE: CRUCK COTTAGE SHEEPY ROAD TWYCROSS REF - 08/00696/FUL

I enclose drawings showing the parking for whole of the school at The Hollies.

There are 50 permanent parking spaces available.

At least a further 35 cars can be accommodated along the one-way drive system, within the grounds, for temporary parking when parents are picking up or dropping off children.

I trust this meets Condition No. 3.

Also attached are the facing bricks to be used on the front wall and on the extension.

The extension will be built in Ibstock Otterburn Antique and the walls in "pre-war commons".

Please could you confirm that this satisfies Condition No. 2.

Yours faithfully,

C A Underwood
