Details of the pre-application advice received

In my own opinion, and without prejudice to any differing opinion that any of my colleagues or the LPA may have, I would consider the alternative to be an acceptable design amendment. I would also consider that the proposed amendment may be able to be dealt with by the submission of a Non-Material Amendment (NMA) application in this case.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
