Planning Case Officer: Joseph Fleetwood HBBC

Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

The site is accessed off Watling Street, an A classified road (A5) subject to a 50mph speed limit.

Watling Street falls under the jurisdiction of National Highways, the Local Highway Authority (LHA) therefore strongly advises National Highways are consulted on the proposals.

Given the scale and location of the proposals, the LHA advises there would appear to be no material impact on the county highway network and therefore the Local Highway Authority has no comments to make.
