Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

The Local Highway Authority (LHA) refers the Local Planning Authority (LPA) to current standing advice provided by the Local Highway Authority dated September 2011.

The LHA direct the LPA's attention to the following point for consideration:

In order to facilitate the proposed drop crossing, the Applicant would need to apply to the LHA for a vehicle crossover (dropped kerb) permit. Further details of the requirements can be found at: <https://www.leicestershire.gov.uk/roads-and-travel/cars-and-parking/vehicle-access-dropped-kerb>. The Applicant should note that the approval of planning permission does not guarantee permission for the required works permit. This process comes with its own criteria which must be met in order to gain a successful permit application.
